

The mini Art package Expo deal

booking fee is \$600 of the package price

All my couples receive a pre wedding consultation which can involve catching up for a coffee or meeting at your wedding venue to show me your favourite spots and to go over your day's timeline and any ceremony & location advice.

This includes 9 hours of continuous coverage Louisa Jones and a second photographer

– in whatever order your day runs.

You will receive high resolution photos USB that have been edited to be print ready. (Expect approximately 800 plus photos) You will have printing rights to these photos. This will also include further digital editing of selected photos (my pick), such as: black and white, cropping, colour enhancement, and dramatization.

You also receive an online viewing gallery which you can share with family and friends.

Includes

One 20 spread (40 sides) 10" square FINE ART ALBUM

An individually designed fully proofed album just for you.

This album has beautifully printed pages on archival fine art paper which lays flat when open. Bound in your choice of leather or custom printed hardcover. More spreads or laminating are available at additional cost. Includes an album preference meeting.

For the one-time price of \$3990
